

DIRECTIONS TO PIER 40 (W. Houston Street @ West Street)

From Brooklyn Battery Tunnel: Take West Street (Uptown) exit. Drive up West Street (Westside Highway), past Canal Street. Look for “Pier 40” signs on the left side of the Highway. The entrance to Pier 40 is from a left turn late at a light. Turn left into the facility.

From Queens Midtown Tunnel: exit to 34th Street westbound. Proceed all the way across to West Street. Turn left (South). Take West Street to the Pier 40 facility at Houston Street – it is the traffic light immediately after the Clarkson Street intersection. Turn right into the facility.

From Brooklyn Bridge: stay in the left lane, follow exit signs for Chambers Street. At end of exit ramp, take a left turn onto Chambers Street. Proceed all the way across Chambers Street to West Street. Make a right turn and head north, past Canal Street. Look for “Pier 40” signs on the left side of the Highway. The entrance to Pier 40 is from a left turn late at a light. Turn left into the facility.

From Manhattan Bridge : follow exit signs for Canal Street (heading west). Proceed all the way across Canal Street to West Street. Make a right turn and head north, past Canal Street. Look for “Pier 40” signs on the left side of the Highway. The entrance to Pier 40 is from a left turn late at a light. Turn left into the facility.

From Williamsburg Bridge : exit heading West. Proceed on Delancy Street to The Bowery. Turn right (North) and proceed to Houston Street (3 blocks) and turn left (West). Proceed all the way to the end and enter the Pier 40 complex.

From Holland Tunnel: stay in the right lane and take Exit 1. Proceed straight out of the plaza and continue to West Street. Make a right turn and head north, past Canal Street. Look for “Pier 40” signs on the left side of the Highway. The entrance to Pier 40 is from a left turn late at a light. Turn left into the facility.

From Lincoln Tunnel: get into the far right lane. Exit and stay right, finally turning left onto 30th Street. Take the next right onto 9th Avenue (South bound). Turn right at 23rd Street and proceed to the end. Turn left and merge onto West Street. Follow West Street south. The entrance to Pier 40 is a right turn from the light immediately after the Clarkson Street intersections. Take that turn into the facility.

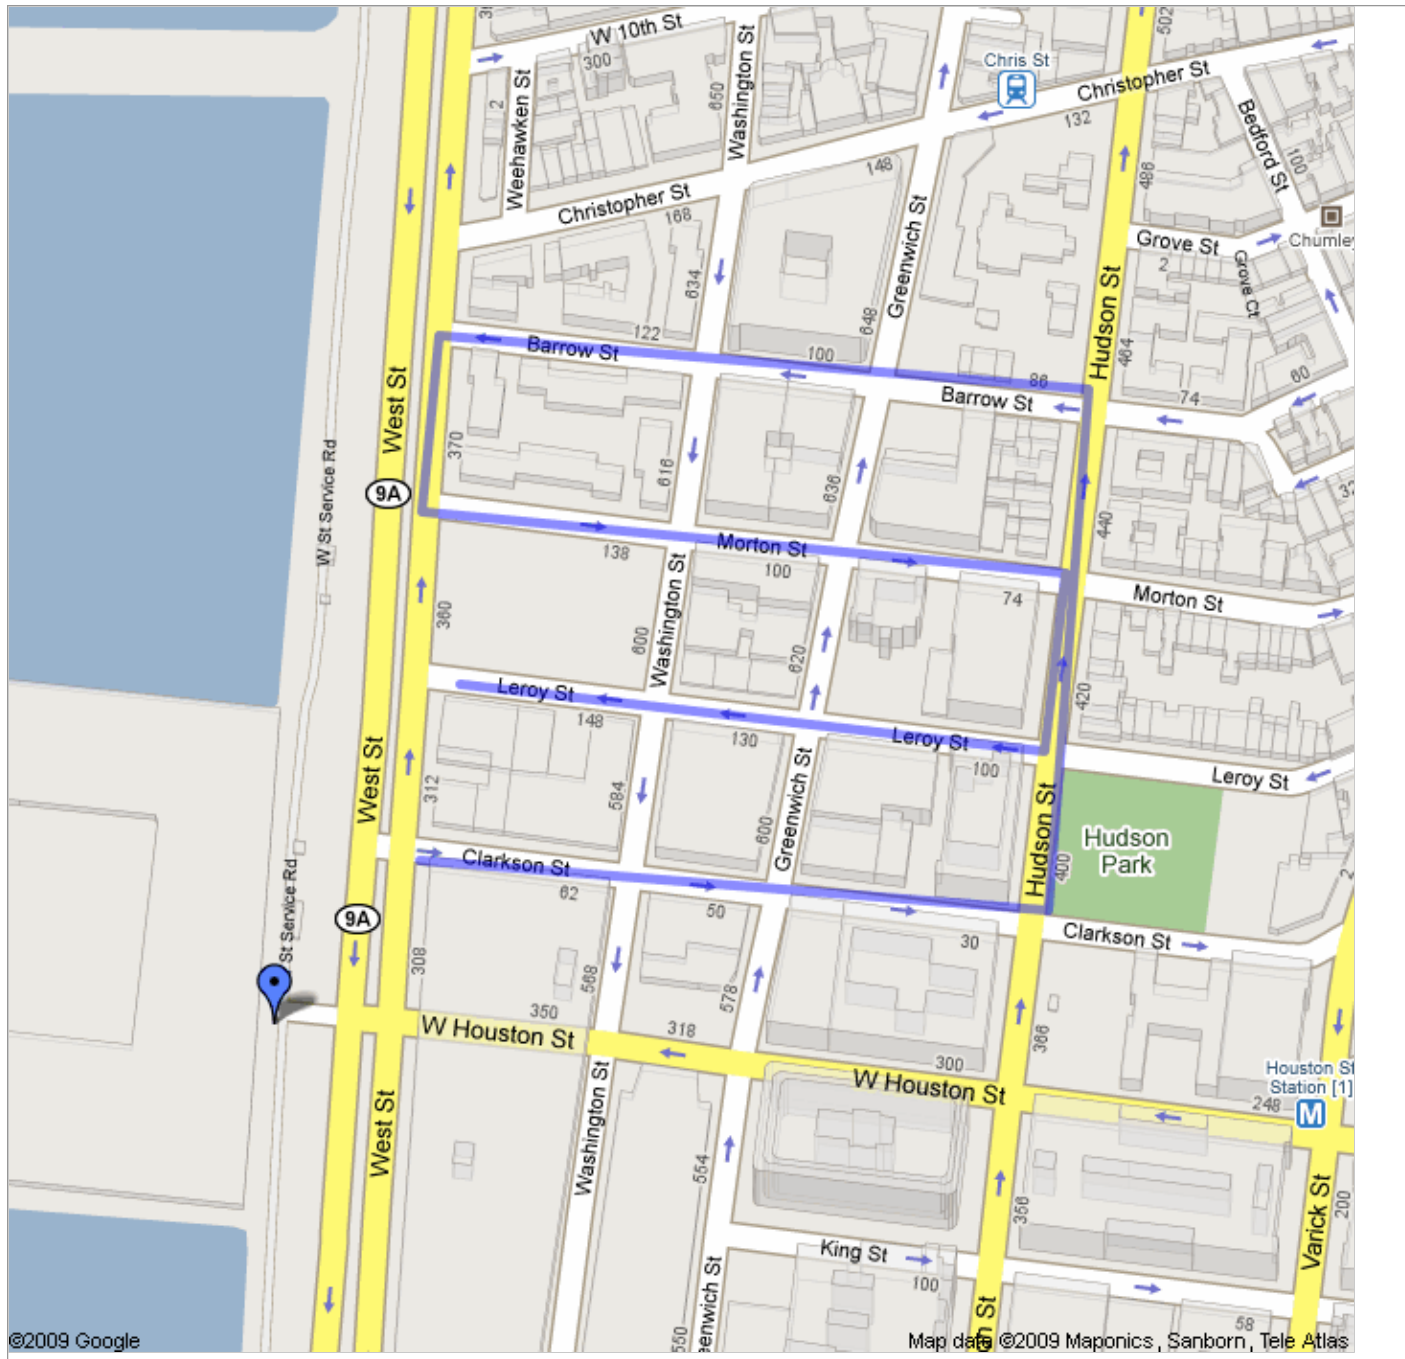

From all points north: Take the Henry Hudson Parkway South until it empties onto West Street. Take West Street to the Pier 40 facility at Houston Street (it is immediately after the Clarkson Street intersection). Enter by turning right.

At Pier 40: After turning into the facility, make a left turn. You will see signs for “taxi” – you may pull over and drop off your passengers (but not park). There is a parking facility (you’ll see signs): fees begin \$15 for 2 hours -- more on days indicated by the HRPT as "special events." If you continue around the loop, you may pull over and stand for 15 minutes. Street parking is available on the weekends (see attached map for suggestions).
