NEW USER-FRIENDLY REGISTRATION SYSTEM will allow for faster, more efficient team formation. It is IMPORTANT that everyone register on line. Follow these easy steps:

1. Click on the link on the www.DUSC.net site - Recreational Fall Soccer page.
2. Register as a new family, even if you've played before with DUSC.
3. Fill out parent information.
4. Register your children for the Fall 2008 Recreational League or the ALL GIRLS Fall 2008 Recreational League: remember to choose the "register another child option" *before* "check out" if you have more than one child. Sibling discounts will automatically apply, but only if you register all children at the same time.

PLEASE NOTE THAT ALL GIRLS DIVISIONS ARE A SEPARATE REGISTRATION BUTTON!!

5. Special Request? DUSC is a community organization committed to the organization of fair teams and to a framework that provides local children the opportunity to make new friends. We will try to fulfill ONE special request for a friend or a coach per child.
6. DUSC is a volunteer organization: no application will be processed without a volunteer selection. Choices are:

Coach: Help coach your child's team (full support from professional staff).

Fundraising: Help find sponsor support for program (allows all children to play regardless of their ability to pay).

Event Planning: Help organize and run DUSC Recreational events (such as Picture Day, Awards Ceremony, registration).

Equipment Management: Help organize uniform & equipment purchases, help set up and break down the fields for your child's division play.
